

## Optometry Update

**Presenter: Nisha Arulanathan**  
**Optometrist B Optometry (Hons)/ B Science (Hons)**

Graduated from the University of New South Wales and Therapeutically endorsed. Worked in OPSM Canberra for 1.5 years after graduation and been working at OPSM Penrith and Plumpton for the past 6 months. Has special interest in ocular pathology and contact lens and has been working with great technology in the Penrith store to help with early detection of ocular diseases.

**Note:** This event will be held in the new **NBM PHN** offices at the **Western Sydney University Werrington South Campus**

### Topics:

- The role that new technologies play in the early detection and monitoring of diabetic eye disease and age related macular degeneration
- Optometry services
