

CPD Event - Cat 2

Oncology Clinical Update

For GPs and Practice Nurses

Presented by Nepean Cancer Care Centre, this session is designed to give GPs and Practice Nurses an update on advances in cancer treatment. It will look at the effects on oncology medications and explore the role of the GP in cancer treatment and post-treatment follow up.

Learning Outcomes

- Identify advances in oncology treatment
- Prepare a patient referral to Nepean Cancer Care Centre
- Educate patients on side effects of cancer medications
- Access the range of multidisciplinary services at Nepean Cancer Care Centre
